[Athens State Launches "Career Advantage" Initiative to Transform](#)

Athens State University has announced its new

[Town Hall Discusses Future Renovations of Carter Hall](#)

Athens State University held a Town Hall meeting on Tuesday, May 20 at 8:00 am in Carter Hall to discuss proposed renovations to the facility. The meeting was well-attended by local

Career Advantage initiative, a comprehensive framework designed to better serve adult learners, strengthen workforce alignment,

[Technologies and prospects for compressed air energy storage](#)

In this Review, we examine fundamental research, technological development, demonstrations and applications of CAES. Large-scale CAES facilities can store more than 300 MW

Technology Strategy Assessment

This technology strategy assessment on compressed air energy storage (CAES), released as part of the Long-Duration Storage Shot, contains the findings from the Storage Innovations (SI) 2030 strategic

Jinko ESS Powers Athens Airport with 123.8MWh

Upon completion, AIA will leverage the Jinko ESS Utility G1 system to achieve storage of clean energy produced on site for self-consumption year

Athens State University

Access the Athens State University portal for students, faculty, and staff to manage profiles, accounts, courses, and campus information.

[California power aggregators sign on for 50-MW slice of](#)

The 500-MW/4,000-MWh advanced compressed air energy storage (A-CAES) project can store energy for eight hours of continuous discharge to

Athens Compressed Air Energy Storage Technology

The LAES system stores thermal energy in liquid air form to provide onsite compressed air and works through a latent energy cold storage tank filled with a phase-change material (PCM)

[Microsoft 365 Applications - Athens State University Knowledge Base](#)

Athens State University Faculty and Staff have access to Microsoft 365 applications such as Outlook, Word, Excel, PowerPoint, and OneDrive as well as innovative tools like Teams, OneNote, Copilot,

[California Community Power Executes Long-Duration Storage](#)

California Community Power Executes Long-Duration Storage Contract with Advanced Compressed Air Energy Storage Developer Hydrostor. Agency signs up to 50 MW with new long

Athens State University

Finish your degree at one of the few universities in the nation dedicated solely to degree completion for transfer students. Turn your transfer credits into one of our 50+ high-demand, high-quality programs.
