["Which one is the best" vs. "which one the best is"](#)

"Which one is the best" is obviously a question format, so it makes sense that " which one the best is " should be the correct form. This is very good instinct, and you could even argue that

Why does "the best of friends" mean what it means?

The best of friends literally means the best of all possible friends. So if we say it of two friends, it literally means that the friendship is the best one possible between any two people. In its
