

Best blown circuit breaker factory producer

Best blown circuit breaker factory producer

["Which one is the best" vs. "which one the best is"](#)

"Which one is the best" is obviously a question format, so it makes sense that " which one the best is " should be the correct form. This is very good instinct, and you could even argue that

definite article

I mean here "You are the best at tennis" "and "you are best at tennis", "choose the book you like the best or best" both of them can have different meanings but "most" and another adverb in

word order

Either is fine, but (American here) I think "Something that best suits your needs" would be the most common way of saying it.

How to use "best ever"

Consider this sentences: This is the best ever song that I've heard. This is the best song ever that I've heard. Which of them is correct? How should we combine "best ever" and a noun in gen

how to use "best" as adverb?

Your example already shows how to use "best" as an adverb. It is also a superlative, like "greatest", or "highest", so just as you would use

it as an adjective to show that something is the

"What was best" vs "what was the best"?

In your context, the best relates to {something}, whereas best relates to a course of action. Plastic, wood, or metal container? What was the best choice for this purpose? Plastic, wood,

articles

The word "best" is an adjective, and adjectives do not take articles by themselves. Because the noun car is modified by the superlative adjective best, and because this makes the

grammar

So, " It is the best ever " means it's the best of all time, up to the present. " It was the best ever " means either it was the best up to that point in time, and a better one may have
