No link when trying to use Fortigate instead of the Google WiFi gateway.

So both ports are working, cables are good, but the link between the Fortigate and the Google fiber wall unit will not stay up. Have tried connecting with the Google fiber account set to use

[Fiber in my front yard, how long is the wait to get service?](#)

Fiber in my front yard, how long is the wait to get service? The crew came to locate main line in front of my new (for Me) house. Fiber in my front yard. They couldn't locate it. That was 3

[New Fiber WiFi 6 router does not allow bridge mode?](#)

Fiber just shipped me a new router (WiFi 6 Router), and suddenly I have two networks with the same name upstairs, one from each router. Nest tech support said to set the new Fiber

Can you see internet history of paired devices

You can see what devices have been connected to your network via the Network Tab of the MyFiber portal, which you can access by following the steps in this Help Center article. That said,

[What type of ethernet cable should I use to connect my devices \(Cat5\)](#)

I'm moving to a new building with Google Fiber installed. I'm wondering what grade of Ethernet patch cable I need to connect my devices to Google network (Cat5, Cat7, etc?)

Google Fiber Community

Screen says Google Fiber authenticating, this may take a moment, but it hasn't changed in 20 minutes Can I use the old google fiber tv remote for the new Google Chromecast with TV View all

[Fiber Optic Cabinets , Fiber Enclosures , Multilink](#)

[can google help move fiber jack to a different location in my home](#)

Upgraded to a 2GBPS connection on Google Fiber. For better utility of the WiFi at this speed, I need to move the Fiber Jack to a central location in the home. Can Google Fiber team help?

Does the router need replacing?

With the 1Gig service, our download speeds keep dropping below 60Mbps. If multiple devices are in use, the lagging issues render gaming or streaming movies futile. After speaking to

Enclosures

network fiber solutions, renewable energy products, enclosures, batteries, and more. The Alpha enclosure product line provides a full range of rugged cabinets for any application, including secure

Outdoor Fiber Optic Rack Cabinet

This cabinet features a two-zone internal architecture, separating power electronics from battery storage to ensure proper weight distribution, safe operation, and long-term reliability in harsh outdoor

How do I setup a DMZ with Google Fiber?

AFAIK, all the Fiber network preferences have been moved to the Google Home app, and the DMZ setting appears to have been lost in the process. I'd love to be proven wrong, however.

Download the TV app

The TV app works on most Android 5.0 devices or later and iOS devices 14 or later. To download the TV app on your mobile device: Download the mobile
