batteries, significantly reducing the risk of catastrophic fires and thermal runaway.

Set organization-wide policies for using groups

These options set organization-wide defaults and available options for group owners, at [groups.google](https://groups.google.com) . Based on options you choose here, owners can also set group-level settings.

Problems with "group work". : r/Professors

IMO, student group work is equivalent to the most toxic workplaces. Most professors would be pissed too if they got evaluated based on their colleagues performance. In a decent workplace,
