

# How much does a pure rooftop solar panel BESS cost

The image shows a house with solar panels on the roof. In the foreground, there is a rack of six battery units. The battery units are white with black accents and have a small display screen on top. The rack is on wheels. To the right of the battery units, there are four circular icons: a hand pointing to a button, a globe, a battery with a lightning bolt, and a bell with a lightning bolt. Below these icons are four text blocks: 'easy to install and use', 'World wide Products', 'faster charging and discharging', and 'Multiple protection with alarm systems'. Below these text blocks is the heading 'Can save energy' and a paragraph: 'the battery capacity can be increased freely and flexibly according to the situation of home use. Rechargeable lithium batteries use safe LiFePO4'.

easy to install and use

World wide Products

faster charging and discharging

Multiple protection with alarm systems

**Can save energy**

the battery capacity can be increased freely and flexibly according to the situation of home use.

Rechargeable lithium batteries use safe LiFePO4
