

Main application scope of photovoltaic panels

Overview

In-depth discussion of the diverse applications of solar photovoltaic (PV) technology in modern life, including building integrated photovoltaics (BIPV), agricultural photovoltaics (Agrivoltaics), transportation infrastructure, floating photovoltaic systems, etc.

Main application scope of photovoltaic panels

[MAIN definition and meaning , Collins English Dictionary](#)

The main thing is the most important one of several similar things in a particular situation. one of the main tourist areas of Amsterdam. My main concern now is to protect the children. What are the main

MAIN , English meaning

MAIN definition: 1. larger, more important, or having more influence than others of the same type: 2. a large pipe. Learn more.
