Modular Home Builders Association

MHBA offers comprehensive and informative content for those seeking builders/manufacturers and looking to learn more about modular housing.

Modular Homes

Simply put, modular homes have sections that are built in a factory, rather than being fully built on a home site. These parts are then transported to the site and assembled by a builder.

MODULAR Definition & Meaning , Dictionary

Use the adjective modular to describe something that is made up of pieces or parts, like a gerbil's habitat of tubes and cages, or a new house that is delivered in sections and then assembled. Things like
