Faster Network For Growing Data Usage Auction of 5G Frequencies Between 2020 and 2022 New 5G Antennas Measuring Electromagnetic Radiation from 5G Antennas Experiments with 5G Technology Mobile phone providers and companies have been allowed to test 5G technology since 2018. Certain tests require an experimentation permit. When the Radiocommunications Agency issues a permit, the test location is added to the Antenna Register. This register lists the location and type of all antennas in the Netherlands. See more on government Mordor Intelligence
