

Nordic energy storage power station product service provider

Nordic energy storage power station product service provider

[Nordic Semiconductor expands nRF54L Series with entry-level](#)

Leveraging Nordic's complete Bluetooth offerings With these entry-level Bluetooth LE SoCs, developers can ensure their products benefit from the same fully featured, certified Bluetooth

About Nordic Semiconductor

Nordic Semiconductor plays a key role in the realization of the wireless future. We remain passionately committed to ultra-low power wireless technology done right.

Battery Energy Storage Systems (BESS) - HST Nordic

At HST Nordic (559519-9372), we engineer, procure, and construct high-impact renewable energy and industrial projects across Sweden and beyond. As part of a globally recognized industrial group, we

[About Nordic Energy , Reliable Energy Supply & Solutions](#)

Nordic is not only a competitive supplier of energy products but we also provide a suite of comprehensive energy management services and solutions for our

[Nordic Semiconductor accelerates cellular IoT leadership with major](#)

[Nordic Semiconductor debuts low-power nRF93M1 Cat 1 bis module](#)

Nordic Semiconductor, a global leader in low-power wireless connectivity solutions, unveils low-power nRF93M1 Cat 1 bis modules at Mobile World Congress 2026. Nordic

[Nordic Semiconductor expands the nRF54L Series with](#)

Nordic Semiconductor, a global leader in low power wireless connectivity solutions, today announced the launch of the nRF54LM20A, the latest addition to its next-generation nRF54L Series of ultra-low

[BOS Power , Power Generation , Energy Storage , Marine](#)

We are the sole authorised distributor and service partner for mtu/RRPS products and solutions in the Nordic region, offering a wide range of products and

[Next generation smart ring integrates Nordic's nRF54L15 SoC](#)

"We selected Nordic's nRF54L15 SoC for the IDR01 smart ring because of its outstanding overall characteristics," continues Zhu. "By leveraging its powerful processing capabilities, ultra-low power

Nordic news

Nordic news Nordic shares product and business related news to inform and inspire. Get new perspective, industry news, product updates and more.

Nordic Semiconductor unveils nRF54LV10A

Nordic Semiconductor, a global leader in low-power wireless connectivity solutions, today launches the nRF54LV10A SoC, setting a new benchmark for integration, performance, and battery life in the

Electrical EPC & BoP Services from the Nordics

Battery Energy Storage systems are essential for a flexible and reliable power system. We deliver complete BESS solutions through a full EPC approach, from

Nordic Power Services

Delivery of experienced consulting and project management end-to-end from technical assessment, grid connection, to market settlement, and revenue management. Smart-Grid development through

Nordic Booster , Power as a Service

Nordic Booster delivers BSP-ready battery systems that can participate in FCR-N and FCR-D markets. Our systems respond in milliseconds and are also ready for the mFRR market.

Nordic Semiconductor

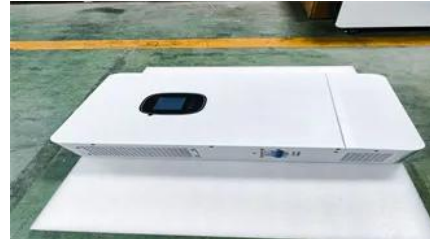

Powering a thriving world , Fortum

Powering a thriving world By providing our customers and the Nordic energy system with a supply of reliable energy, we aim to power a

Investor relations Nordic Semiconductor is a global leader in low power wireless connectivity solutions, providing the essential platform and wireless technologies that connect IoT devices within the
