---

### grammar

What is the meaning of 'It was the best ever?' Is it different to 'It is the best ever?' I am just confused by simple past and it last ever. ( It was the best ever)

### meaning

There is an application, named "Discord", for online conversation. Does discord have another meaning which is probably more suited for the application, or is the application intended for

### Bought vs Have bought

I bought a new cell phone I have bought a new cell phone What is the difference?

### Difference between online and on line

When do we use online as one word and when as two words? For example, do we say : "I want to go online or on line?"

### Usage of "Staying online"

We also say that we're going online, meaning that we are checking Facebook, Twitter, messages, and so on, and generally making ourselves available to others-including by phone. So, staying online

## Solarcontainer: The mobile solar system

We make mobile solar containers easy to transport, install and use. Make the next step towards renewable energy with our Solarcontainer! The challenges of our

["Which one is the best" vs. "which one the best is"](#)

Your original is correct as-is, except you need to remove the question mark at the end because it's not a question. What I imagine you are already thinking: The sentence ends with a string

## [Mobile Solar Container Systems , Foldable PV Panels](#)

This is the product of combining collapsible solar panels with a reinforced shipping container to provide a mobile solar power system for off-grid or remote locations.

## word request

That's my question. The opposite to online is offline Whether online or offline, marketing is an important thing to boost your business. This is clear. But if I'm talking about something that is on the ground

## [How to inform the link of a scheduled online meeting in formal emails](#)

I am writing a formal email to someone to send him the link of a scheduled online meeting. I have already acknowledged him before about the meeting. I can not figure out the most

**What is a very general term or phrase for a course that is not online?**

4 I'm trying to find the most general term or phrase for the opposite of "online course". When a course is not online, but in a classroom, or anywhere else people interact in the same place,

**word choice**

I would prefer the 1st sentence, it just says that it's available in the store. I wouldn't prefer the 2nd sentence since "in-store" sounds a bit strange. Just the normal "in the store" is better.
