In rural areas of Germany, it can provide stable power supply without grid dependency. In urban areas, it can optimize energy usage and reduce costs by

What is a very general term or phrase for a course that is not online?

4 I'm trying to find the most general term or phrase for the opposite of "online course". When a course is not online, but in a classroom, or anywhere else people interact in the same place,

phrase meaning

0 Cinelli, 2021 says Online polarization, for instance, may foster misinformation spreading. I did a search about the use of "polarization" segregation of society into social groups, from high

Usage of "Staying online"

We also say that we're going online, meaning that we are checking Facebook, Twitter,

messages, and so on, and generally making ourselves available to others-including by phone. So, staying online

word choice

I would prefer the 1st sentence, it just says that it's available in the store. I wouldn't prefer the 2nd sentence since "in-store" sounds a bit strange. Just the normal "in the store" is better.

[Shipping Containers for Power Generation & Energy Storage](#)

Looking to build off-grid power solutions with shipping containers? Boxhub is the leading provider of new and used shipping containers for solar panel installations and battery storage.

[Battery installation process for container communication station](#)
