## Recommend economical solar outdoor power cabinet

---

### I recommend you take/to take

Hello forummates! I have come across this phrase in a english grammar exercise: "I recommend you take a tour through the desert". And I wonder if it shouldn't be: "I recommend you to

### I don't recommend

In my version of AE "I don't recommend that you do X" is the correct form, but you can drop the that. "I don't recommend you say recommend you to do X." More often we're a little less

### recommend vs suggest

Hi all, Is there any difference lies between these words; recommend and suggest? If there any, would you tell me where these words are used? For example, I would have recommended

### Recommend going

Hi there, I always thought the recommend clause would be as in "I recommend (that) you go there" or "I recommend it" or "I recommend going there". However, the other day I heard an
