grammar

Does the choice between passive/active voice make any difference in the examples below? My question relates to your earlier work. My question is related to you earlier work. Nerve

word choice

I read this sentence in a book. However, it does not solve specific problems relating to a business or a profession. I, myself, often use related to instead of relating to. Is there any difference?

adjectives

What is the correct use of the term "related?" For example, should I use it like computer related, or is it more proper to use computer-related (where the word "computer" is just part of my examp

When do you use "relate to" versus "relate with"?

I have a feeling that maybe you use one preposition with people, and the other with situations. For example, you might relate with a student who's nervous about an exam, whereas you

Should I use a semicolon or a dash to connect two closely related

When you want to connect two closely related sentences, you can use a semicolon or a dash.

(You can also use a dash for other kinds of non-sentential relations).

[Word for when someone gets into a job/role due to being related to](#)

39 If someone gets a job by being related to someone, it's nepotism Favoritism granted to relatives or friends regardless of merit. The word nepotism is from the Latin word nepos, nepotis (m).

[Is health related or health-related correct in speaking about health](#)

If "health-related" comes before the word it modifies (in this case, "issues"), then it gets a hyphen because it's a compound of a noun ("health") and a participle ("related") modifying another

[What does "Are you related to the candidate?" mean?](#)

I'd be surprised if "related" here doesn't mean belonging to the same family. [Entry 2] Its normal that prospective employers won't want family members to give you a reference as they

Are the words Bank (money) and Bank (river) related?

Per Etymonline: "Bank" as in the side of a river comes ultimately from the Proto-Germanic root *bankon, meaning "slope." "Bank" as in the financial institution ultimately comes from the

[Word for something which is directly related to something else](#)

Donut-a-thon / Place The list is fairly diverse and each of these items is related directly to the event in it's own unique way. They are things linked to another thing. What would you call these?

What Is a Container Energy Storage System?

A deep dive into containerized BESS. Explore key components, grid-scale applications, safety, and how they support renewable energy. Read our expert guide.

Containerized Battery Energy Storage System (BESS):

Discover the benefits and features of Containerized Battery Energy Storage Systems (BESS). Learn how these solutions provide efficient, scalable

Energy storage container, BESS container

Adding Containerized Battery Energy Storage System (BESS) to solar, wind, EV charger, and other renewable energy applications can reduce energy costs, minimize carbon footprint, and increase
