

# Vertical Communication Power Supply Cabinet along the Belt and Road

## Overview

---

As of August 2022, China's official Belt and Road website lists 52 African countries who have signed onto an agreement or understanding with the One Belt One Road initiative. Africa is considered a key part of China's One Belt One Road efforts, due to its potential for rails, roads and energy. Many African countries are also in need of better infrastructure, which is still seen as a major barrier to development in the region. In 2020, only 43 percent of Africans had access to electricity, 48 percent had access to pav.
